

Susquehanna Art Museum

Exhibition Proposal Policy- Gallery Specs

The Susquehanna Art Museum (SAM) welcomes collaborative work with guest curators (which may include professional artists, art historians, art educators, etc.). As a non-collecting museum, all exhibitions at SAM are part of a planned program of rotating curated exhibitions and traveling shows. All exhibitions are curated to follow the education-focused mission of the museum, using the Exhibitions Policy (attached). SAM accepts exhibition proposals throughout the year.

Mission Statement: Susquehanna Art Museum: experience creativity and explore meaning through the visual arts.
